Rider is responsible for checking their carryover entry and notifying the offices any missed entry or changes. At the discretion of the committee, any missed carryovers that are NOT reported to the office by the end of the race may be refunded their carryover fee, but will not be issued any winnings or figured into the final results.

6. A photocopy of the front of the registration papers of registered horses or veterinarian's affidavit of the year of birth along with a complete physical description of un-registered horses must accompany nominations. Should a nominated horse be sold during the course of the payment period, written authorization must be received from the original owner before horse can continue in the entry process. Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN.
